

# Triveni Interchem Pvt. Ltd.

GROUP OF Triveni CHEMICALS

CHEMICAL WITHOUT BORDERS-POWERED BY INDIA

CIN No.: U24100GJ2010PTC060594

GST No.: 24AADCT5202F1ZU

MSME No: UDYAM-GJ-25-0009026

ISO 9001:2015 | QMS/NAB-C21601/1645

## SPECIFICATION

### 2,6-Dimethylpyrazine

| Parameters        | Specification                                                         |
|-------------------|-----------------------------------------------------------------------|
| Cas Number        | 108-50-9                                                              |
| Appearance        | White To Light Yellow Crystalline Solid                               |
| Uses              | Used In Food Flavoring, Fragrance Industry                            |
| Molecular Formula | $C_6H_8N_2$                                                           |
| Molecular Weight  | 108.14 G/Mol                                                          |
| Melting Point     | 35°C-38°C                                                             |
| Flash Point       | 50°C-53°C                                                             |
| Boiling Point     | 150°C-155°C                                                           |
| Solubility        | Soluble In Water, Ether, Ethanol                                      |
| Hazards           | Harmful If Swallowed, Causes Skin And Eye Irritation, Flammable Solid |
| Purity            | 95-98%                                                                |
