

# Triveni Interchem Pvt. Ltd.

GROUP OF Triveni CHEMICALS

CHEMICAL WITHOUT BORDERS-POWERED BY INDIA

CIN No.: U24100GJ2010PTC060594

GST No.: 24AADCT5202F1ZU

MSME No: UDYAM-GJ-25-0009026

ISO 9001:2015 | QMS/NAB-C21601/1645

## SPECIFICATION

### Ethyl Isovalerate

| Parameters        | Specification                                                            |
|-------------------|--------------------------------------------------------------------------|
| Cas Number        | 108-64-5                                                                 |
| Appearance        | Clear, Colorless To Pale Yellow Liquid                                   |
| Uses              | Flavoring Agent, Fragrance Component, Used In Food, Beverages, Perfumery |
| Molecular Formula | C <sub>7</sub> H <sub>14</sub> O <sub>2</sub>                            |
| Molecular Weight  | 130.18 G/Mol                                                             |
| Boiling Point     | 131–134 °C                                                               |
| Flash Point       | 27–31 °C                                                                 |
| Solubility        | Slightly Soluble In Water; Soluble In Organic Solvents                   |
| Hazards           | Flammable Liquid And Vapor                                               |
| Purity            | 96-98%                                                                   |
| Refractive Index  | 1.396–1.4                                                                |
