

# Triveni Interchem Pvt. Ltd.

GROUP OF Triveni CHEMICALS

CHEMICAL WITHOUT BORDERS-POWERED BY INDIA

CIN No.: U24100GJ2010PTC060594

GST No.: 24AADCT5202F1ZU

MSME No: UDYAM-GJ-25-0009026

ISO 9001:2015 | QMS/NAB-C21601/1645

## SPECIFICATION

### I-Menthyl Acetate

| Parameters        | Specification                                                                    |
|-------------------|----------------------------------------------------------------------------------|
| Cas Number        | 2623-23-6                                                                        |
| Appearance        | Colorless Liquid                                                                 |
| Uses              | Flavoring Agent, Fragrance Ingredient In Oral Care, Cosmetics, And Food Products |
| Molecular Formula | $C_{12}H_{22}O_2$                                                                |
| Molecular Weight  | 198.30 G/Mol                                                                     |
| Boiling Point     | 229–230 °C                                                                       |
| Flash Point       | 171 °F                                                                           |
| Solubility        | Slightly Soluble In Chloroform And Methanol                                      |
| Hazards           | Flammable; May Cause Mild Skin Eye Irritation                                    |
| Purity            | 96-98%                                                                           |
| Refractive Index  | 1.447                                                                            |
